Dear Mr Harding

On behalf of our Patron Marion Judge QSM, President Peter Young, Board of Management, Staff and last but not most important of all, the Children of Canterbury, I would like to thank you for your supporting our 'Secret Agents' Gala Ball and sincerely hope those of you who attended and took part had a fun and enjoyable time.

We are constantly humbled by the support given to the Home. It is heart warming to see so many, through gifts, & donations supporting the work we do here at Cholmondeley Home. We acknowledge and sincerely appreciate your support of our work. The official receipt of the Home is printed below.

We were thrilled with the substantial amount of funds raised through the Cubic Zirconias donated by you and exchanged for a \$20 donation. Thank you so much for once again contributing in such a generous way to our event & helping to make this year's Gala Ball a resounding success.

Yours sincerely

Gloria Wakefield
